

## **PA CAREERLINK CARBON COUNTY MEANS BUSINESS!**

Our business is to provide the skilled human resources needed to satisfy employers' employment and training needs. To do that we provide:

- Premier recruitment prescreening, assessment, and job matching system
- Business activity by providing labor market information
- A full menu of human resource services
- Training based on labor market demands resulting in a prepared workforce
- Employment services that connect the workforce with jobs

The following is a sample of the business and industry "one-stop" services the Pennsylvania CareerLink Carbon County provides to employers:

### **LABOR MARKET INFORMATION**

Our staff can provide:

- Seasonally adjusted unemployment rates
- A job and labor market overview of the Pocono's Workforce Investment Area
- Trends in employment projections and a description of job seekers in the Carbon County
- Continued growth areas and high demand occupations
- Current salary information, benefit packages and personnel policies
- Workforce availability
- Employer cutbacks and closings so businesses know where new hires can be found.

### **HUMAN RESOURCES EMPLOYMENT CENTER**

The CareerLink Carbon County is a one-stop answer to all your human resource needs with:

- Trained workforce development professionals
- Staff who are accredited by the Department of Labor & Industry as Workforce Development Professionals
- Knowledgeable staff current on human resource issues
- Staff is focused on employment issues and will work with you to recruit the workforce your business needs to be competitive
- A Rapid Response Team reacts within 24 hours to any industry start up or business restructuring

### **RECRUITMENT AND COMMUNITY RESOURCES**

Our business and community connections include:

- A network of over 80 business and community based organizations
- Our active involvement with the Chambers of Commerce and business education partnerships
- Our work in concert with county, city, state and national governments through an active Workforce Investment Board has earned us a reputation as a one-stop shop
